

Problem (Effect): -----  
-----

[www.kenbakerconsulting.com](http://www.kenbakerconsulting.com)

Compliments: **Pharmacists  
Mutual** Insurance  
Company

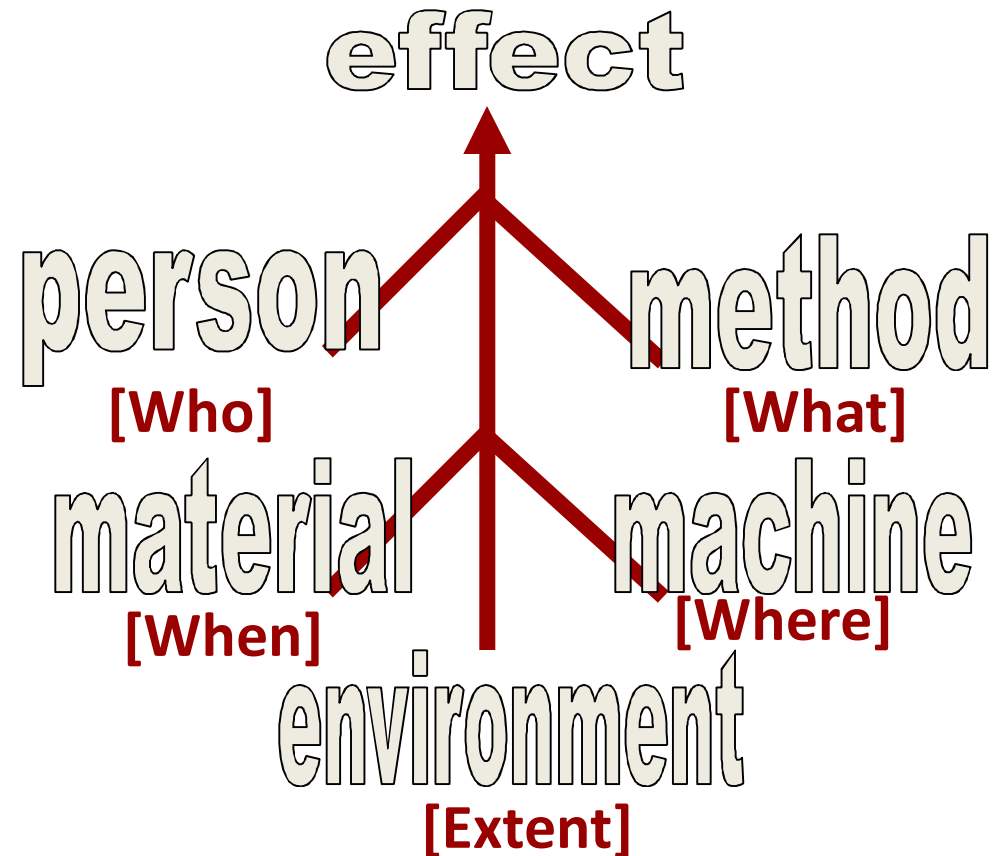

Use this Cause & Effect diagram as a tool to consider how the QRE occurred and how to lessen the risk of it happening again.

# Cause & Effect Process

(Peer Review)

## Fishbone Diagram

- **Identify** the relationship between the effect (problem) and the causes
- **Helps** the team put ideas on the table

Compliments: **Pharmacists  
Mutual** Insurance  
Company

# Cause & Effect Process

( a tool for the Peer Review process)
